

Prof. Dr. med. Markus Scheibel

Schulthess Klinik
Lengghalde 2
CH-8008 Zurich

I. Current Position

Since 01.07.2018

Chairman
Shoulder and Elbow Surgery
Schulthess Klinik

Since 01.06.2018

Visiting Professor
Charité – Universitaetsmedizin Berlin
Center for Musculoskeletal Surgery (CMSC)

II. Clinical career

01.05.2010 to
31.05.2018

Head of the Department
Department of shoulder and elbow surgery
Center for Musculoskeletal Surgery (CMSC)

01.01.2012 to
31.05.2018

University professor (W2)
Arthroscopy and sports medicine with focus on shoulder surgery
Center for Musculoskeletal Surgery (CMSC) and Center for Sports
Science and Sports Medicine Berlin (CSSB)

01.07.2004 to
30.04.2010

Assistant physician, specialist und research assistant
Center for Musculoskeletal Surgery (CMSC)
Charité – Universitaetsmedizin Berlin

01.12.2002 to
31.05.2004

Assistant physician und research assistant
Department for Sports Orthopaedics
Klinikum rechts der Isar, Technische Universitaet Muenchen

01.05.2001 to
31.10.2002

First year resident
Center for Shoulder and Elbow Surgery
ATOS Clinic Heidelberg, Germany

III. Education

01.10.1994 to
27.04.2001

Study of Human medicine, Universitaet Leipzig

27.04.2001

Examination

18.06.2002

Promotion (Dr. med.), Universitaet Leipzig
Topic: Analyse operativer Zugangswege in der Kniegelenksendo-

prothetik unter besonderer Berücksichtigung der Subvastus- und Midvastustechnik

- 01.11.2002 License to practice medicine
- 22.04.2008 Specialist in orthopedics and trauma surgery
- 18.06.2009 Habilitation und Venia legendi for orthopaedic and trauma surgery
Charité – Universitätsmedizin Berlin
Topic: Neue Aspekte in der konservativen und operativen Therapie von Schulterinstabilitäten

IV. Stay abroad

- 03.08.1998 to 30.08.1998 Department of Orthopaedic Surgery
University of California, San Francisco, USA
- 31.08.1998 to 27.08.1998 Department of Orthopedics
Louisiana State University, New Orleans, USA
- 17.04.2000 to 03.08.2000 Department of Internal Medicine, Victoria Hospital
University of Cape Town, Kapstadt, Südafrika
- 07.08.2000 to 01.10.2000 Department of Surgery
Louisiana State University, New Orleans, USA
- 02.10.2000 to 26.11.2000 Department of Orthopedics
Louisiana State University, New Orleans, USA

V. Memberships and Functions

- a) Leading functions in scientific associations
- President of the German Shoulder and Elbow Society (DVSE)
 - Chairman of Committee “Qualification” of the European Society for Surgery of the Shoulder and the Elbow (SECEC-ESSSE)
 - Member of the Shoulder-Committee of the Society for Arthroscopy and Joint Surgery (AGA)
- b) Membership in scientific associations
- Corresponding Member of the American Shoulder and Elbow Surgeons (ASES)
 - Ordinary Member of the European Society for Surgery of the Shoulder and the Elbow (SECEC-ESSSE)
 - Ordinary Member of the German Shoulder and Elbow Society (DVSE)
 - Member of the German Society for Orthopaedics and Trauma (DGOU)
 - Member of the German Society for Trauma (DGU)
 - Member of the German Association of Orthopaedic Sports Traumatology (DVOST)
 - Member of the Society for Arthroscopy and Joint Surgery (AGA)
 - Member of the German Society of Arthroplasty (AE)
 - Member of the AO Germany
 - Member of the Professional Association for Orthopedics and Traumatology (BVOU)
- c) Co-editor of orthopedic and trauma surgery journals
- Board of Associate Editor for Journal of Bone & Joint Surgery (JBJS)

- Editorial Board Journal of Shoulder and Elbow Surgery (JSES)
 - Advisory Board International Journal of Shoulder Surgery (IJSS)
 - Editorial Board Shoulder & Elbow (BESS journal)
 - Editor Obere Extremitäten; Schulter-Ellenbogen-Hand (OBEX)
- d) Reviewer for orthopedic and trauma surgery journals
- Journal of Shoulder and Elbow Surgery (JSES)
 - Journal of Bone and Joint Surgery – American (JBJS)
 - Journal of Arthroscopy and Related Research (Arthroscopy)
 - The American Journal of Sports Medicine (AJSM)
 - Knee Surgery Sports Traumatology Arthroscopy (KSSTA)
 - Archives of Orthopaedics and Trauma Surgery (AOTS)
 - International Journal of Shoulder Surgery (IJSS)
 - Der Unfallchirurg
 - Zeitschrift für Orthopaedie und Unfallchirurgie

VI. Awards

- Research Grant 2007 of the European Society for Surgery of the Shoulder and the Elbow
Influence of growth factors in local application on rotator cuff tendon tissue regeneration
M. Scheibel, S. Pauly, C. Strobel, N. P. Haas
- Poster prize 2008 of the European Society for Surgery of the Shoulder and the Elbow
The influence of duration of immobilization after traumatic anterior shoulder dislocation - preliminary results
M. Scheibel, A. Kuke, C. Nikulka, B. Koch, N. P. Haas
- Video prize 2009 of the European Society for Surgery of the Shoulder and the Elbow
Arthroscopically assisted acromioclavicular joint stabilization for chronic instability
M. Scheibel
- Research funding 2011 of the German Society for Shoulder and Elbow Surgery
Einflussfaktoren von Wachstumsfaktoren auf die Regeneration der Sehnenknocheneinheit der Rotatorenmanschette
S. Pauly, M. Scheibel
- Alwin Jaeger prize 2012 of the Society for Arthroscopy and Joint Surgery
Einfluss von Alter und Geschlecht auf biologisches Zellpotential und klinische Resultate nach Rekonstruktion der Rotatorenmanschette
S. Pauly, M. Scheibel
- Alwin Jaeger prize 2012 of the German Society for Shoulder and Elbow Surgery
Arthroskopische Pfannenrandrekonstruktion mit autologer Spanplastik
N. Kraus, M. Scheibel
- Jochen Loehr prize 2014 of the German Society
Influence of bony defects on the clinical preoperative condition of anteroinferior shoulder instability
J. Wolke, DA Herrmann, A. Krannich, M. Scheibel
- Research Grant 2014 of the European Society for Surgery of the Shoulder and the Elbow
Biologic, biomechanic and imaging properties of acromioclavicular joint instability
N. Kraus, M. Scheibel
- Best Paper 2015 of the German Society of Shoulder and Elbow Surgery
Abduktions-Aussenrotations-Immobilisation vs arthroskopische Stabilisierung nach primärtraumatischer anteriorer Schulterluxation Multicenterstudie der DVSE - erste Ergebnisse
A. Thierbach, S. Pauly, T. Stein, M. Moursy, M. Königshausen, M. Scheibel
- 2. National Societies Best Paper Prize of the European Society for Surgery of the Shoulder and the Elbow

Abduction-external-rotation-immobilization (30° abduction/60° external rotation) vs. arthroscopy stabilization after primary traumatic anterior shoulder dislocation

A. Thierbach, S. Pauly, T. Stein, M. Moursy, M. Königshausen, M. Scheibel

- Best Paper 2017 of the German Society of Shoulder and Elbow Surgery
Revisionseingriffe nach schulterarthroskopischen Eingriffen sind indikationsabhängig mit unterschiedlichen Low-grade Infektraten assoziiert
S. Pauly, C. Gerhardt, A. Trampuz, M. Scheibel.
- Research Grant 2018 of the German Society for Shoulder and Elbow Surgery
The biomechanical effect of bone grafting and bone remodeling in glenoid reconstruction surgery
P. Moroder, M. Scheibel
- Certificate of Reviewing Excellence 2013 | Journal of Shoulder and Elbow Surgery
(In cooperation with American Shoulder and Elbow Surgeons)
M. Scheibel
